## Cetra™ Leads

### Introducing the "No Metal" Shielded Ignition Lead.

BG's Cetra™ spark plug leads are the first ignition leads without metallic shielding to be approved for use in Class 1, Group D, Division 2 hazardous locations! The unique patented design has an internal non metallic shield with a safety path to ground. These Cetra ignition leads not only increase reliability but simplify trouble shooting because *timing lights, oscilloscopes and firing indicators* can now be used!

Find out how BG's new Cetra shielded ignition leads can be put to work for you. Call or write for a free catalog and technical information today.
